

## Important Announcement

Hi Learner,

Successful  
people are  
not gifted;  
they just work  
hard, then  
succeed on  
purpose.

WUOLAH.COM

### Congratulations on completing two projects.

You should be now aware of how to automate **Websites and Excel** files and you know something?

These are the two major automation that you can find at the enterprise level, so you have made good progress till now.

To help you progress at more faster rate, I usually conduct doubt sessions every Thursday or Tuesday at 8 pm IST
